<b>FINDINGS AND ORDER OF THE COURT</b> <b>FC 7660</b>	CASE NUMBER:		

A petition to determine parental rights and to determine necessity of consent of

alleged natural father of the above-named child to this adoption, having come on regularly for hearing, and a notice of hearing having been given as required by law or notice to him having been dispensed with by Order of the Court and the Court being advised in the premises, the Court finds:

(1) That \_\_\_\_\_ is the natural mother of \_\_\_\_\_ born on the \_\_\_\_\_ day of \_\_\_\_\_, who is now within the County of Riverside in the custody of the adopting parent(s) for the purpose of adoption; and that the alleged natural father of such child is/is not the presumed father of said child under Family Code 7611.

(2) That no action has been brought nor is any action pending for the purpose of having declared the existence or non-existence of the relationship of parents and child with respect to said child;

It is therefore the order of this Court that the consent of said alleged natural father is not necessary for this adoption and his rights with reference to said child are hereby terminated.
